SUMMARY

Performance-driven B.Sc. Computer Science student with 9+ months of internship experience in Data Science, Data Analytics, and AI/ML. Skilled in Python, SQL, Power BI, Tableau, Excel, machine learning, and predictive modeling. Passionate about building data-driven solutions, interactive dashboards, and AI-powered tools to solve real-world problems.

EDUCATION

B.Sc. Computer Science Jun 2024 - Mar 2027
Bhavan's College, Andheri West - Mumbai University

- SEM III CGPA 8.45

HSC - Science Stream Jun 2022 - Feb 2024
Bhavan's College, Girgaon - Mumbai

- Achieved 67.17%

WORK EXPERIENCE

Data Science & Analytics Intern Aug 2025 - Oct 2025
Cinute Digital Pvt. Ltd. (CDPL) - Mumbai

- Performed EDA, data cleaning, and feature engineering on real-world datasets; built 5+ interactive dashboards in Excel, Power BI, and Tableau to track KPIs and business trends.

Data Analytics Intern Dec 2025 - Mar 2026
Syntech Technologies - Mumbai

- Designed Power BI, Tableau, and Excel dashboards visualizing KPIs, trends, and business insights for stakeholders.

AI & ML Intern Dec 2025 - Mar 2026
Syntech Technologies - Mumbai

- Built and evaluated ML models in Scikit-learn for customer churn prediction, improved accuracy through iterative feature engineering and hyperparameter tuning.

PROJECTS

- Smart Green Zone Guardian (Internet of Things)
- Smart To-Do Tracker (Android Application)
- Traffic Congestion Predictor (Hackathon)
- Hotel Management System (Java & JDBC)
- Weather Analysis Web Dashboard (Python & Streamlit)
- Venom AI (Smart Assistant implemented using local LLM)

SKILLS

- Python
- EDA
- Big Data
- Kotlin
- C++
- HTML/CSS
- Android Studio
- Manual Testing
- Backend
- Excel
- SQL
- Figma
- DBMS
- AI & ML
- LLMs
- Java
- JavaScript
- API Integration
- JDBC
- Frontend
- UI / UX
- Tableau
- Power BI

CERTIFICATES

Hack-O-Infinity (Hackathon 1st Place)

Bhavans College

Deloitte Australia - Data Analytics Job Simulation

Forge

Game Development (AR/VR)

IOFT

AI Fundamentals

IBM - SkillsBuild

Data Analytics Fluency

IBM - SkillsBuild

LANGUAGES

- English
- Hindi
- Marathi
- French (Basics)

INTERESTS

- Web Development
